**Additional Information for MDPHA former Central Office Site**

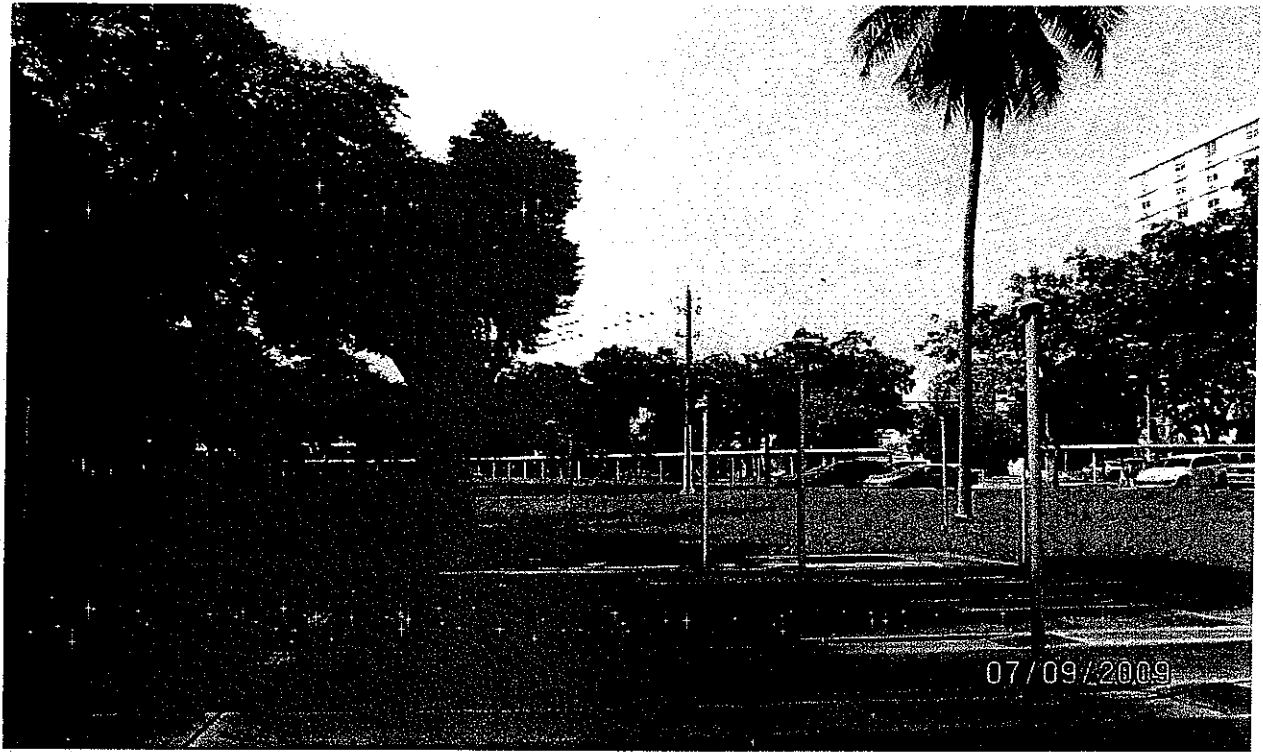

**1. Site Description/Location:**

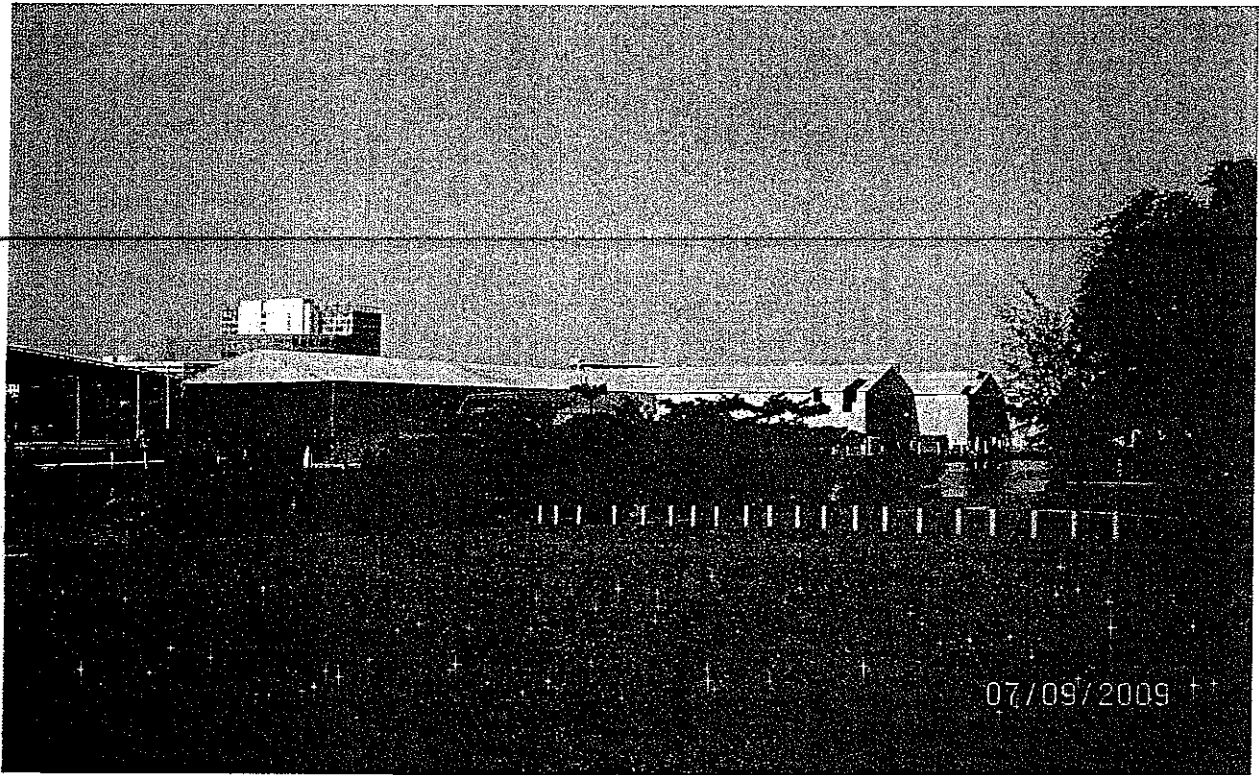

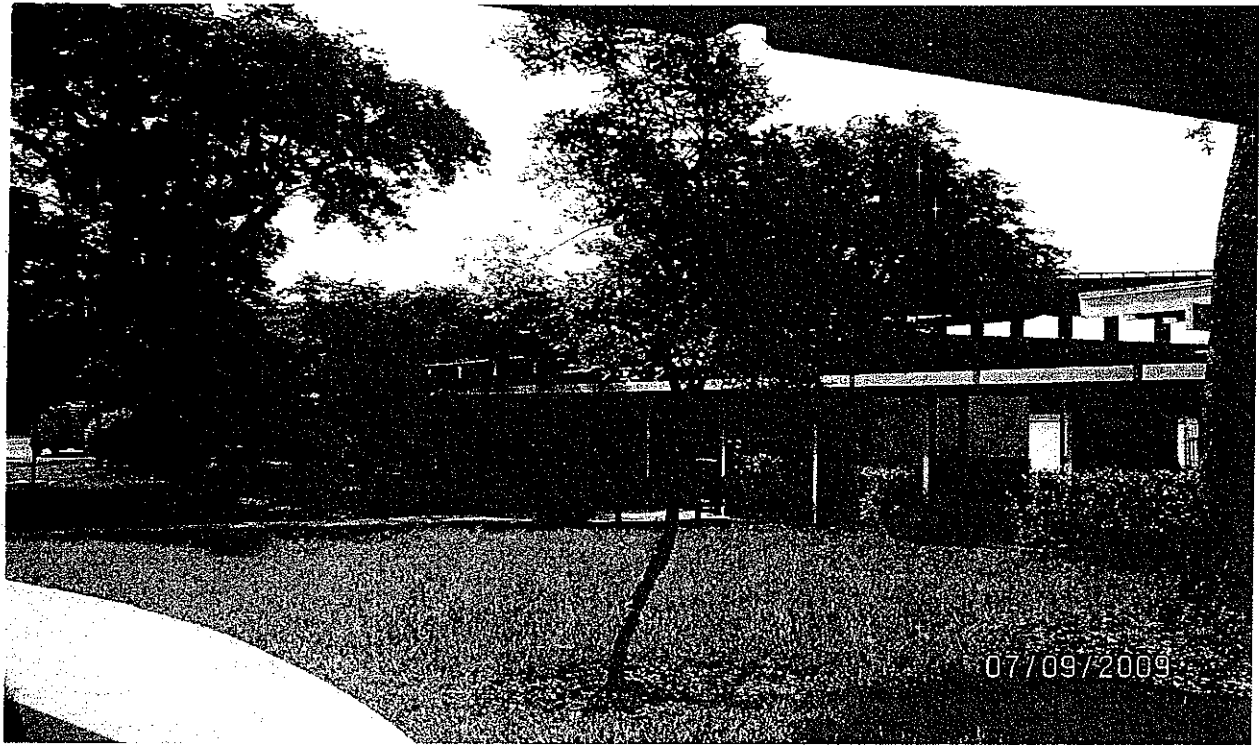

MDPHA's former Central Office site is located at 1401 NW 7<sup>th</sup> Street, Miami, Florida 33125. This was previously the site where MDPHA had its administrative offices prior to moving to our new location in August 2009. The site also contains several other structures as noted below. The site is bounded by NW 7<sup>th</sup> Street and the Florida Marlins new baseball stadium on the south, the Miami River on the north, commercial/residential on the east and commercial/residential on the west.

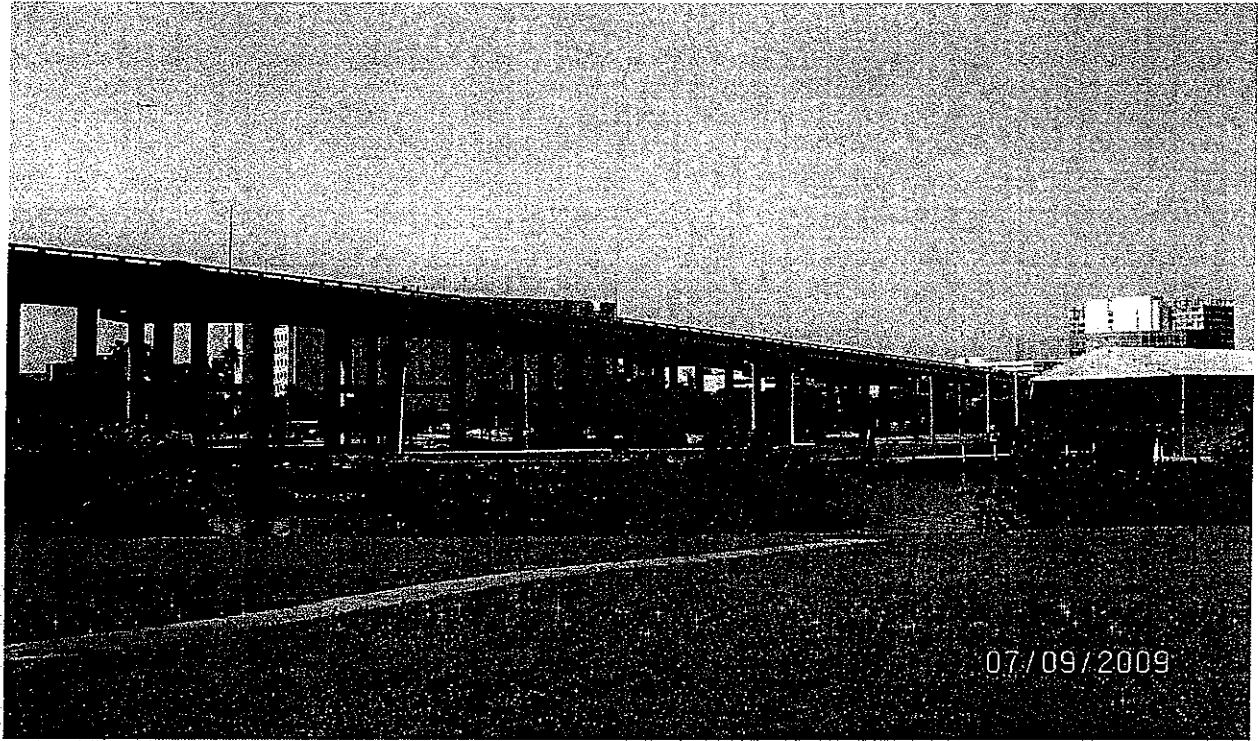

The site contains the following structures:

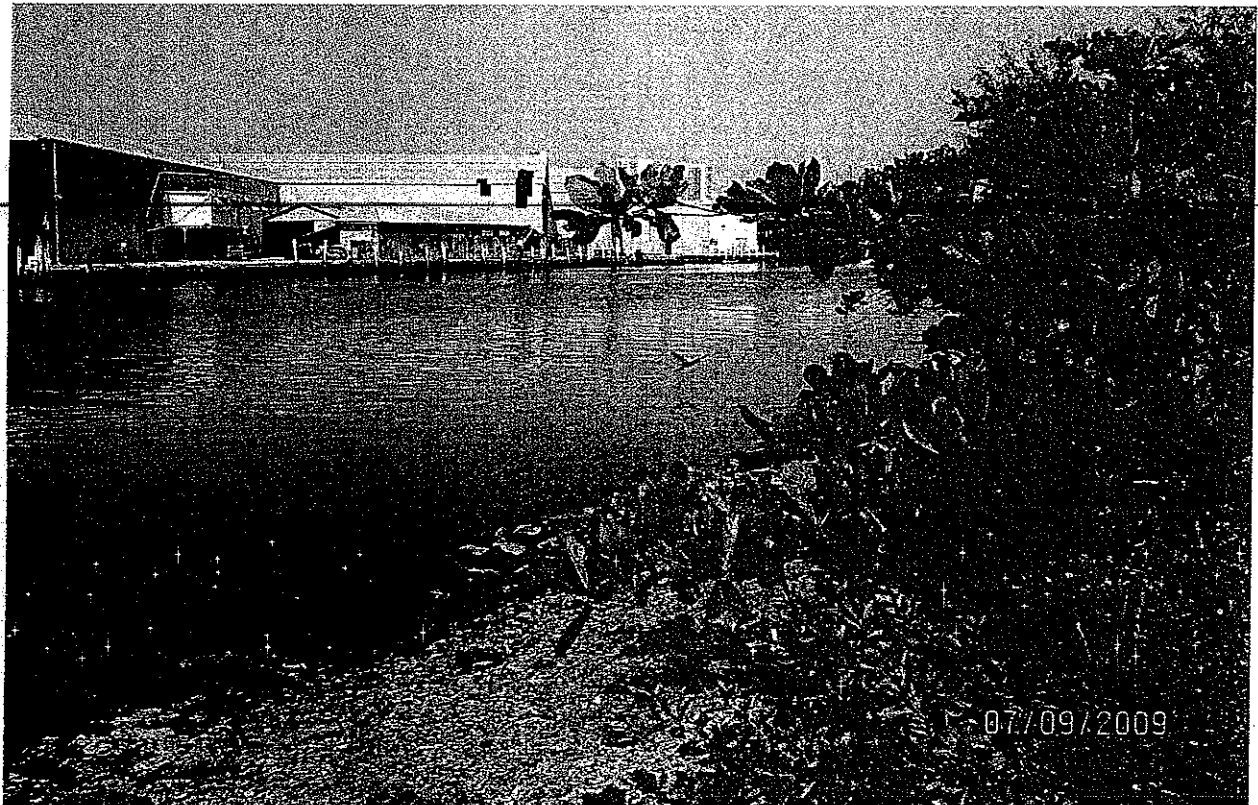

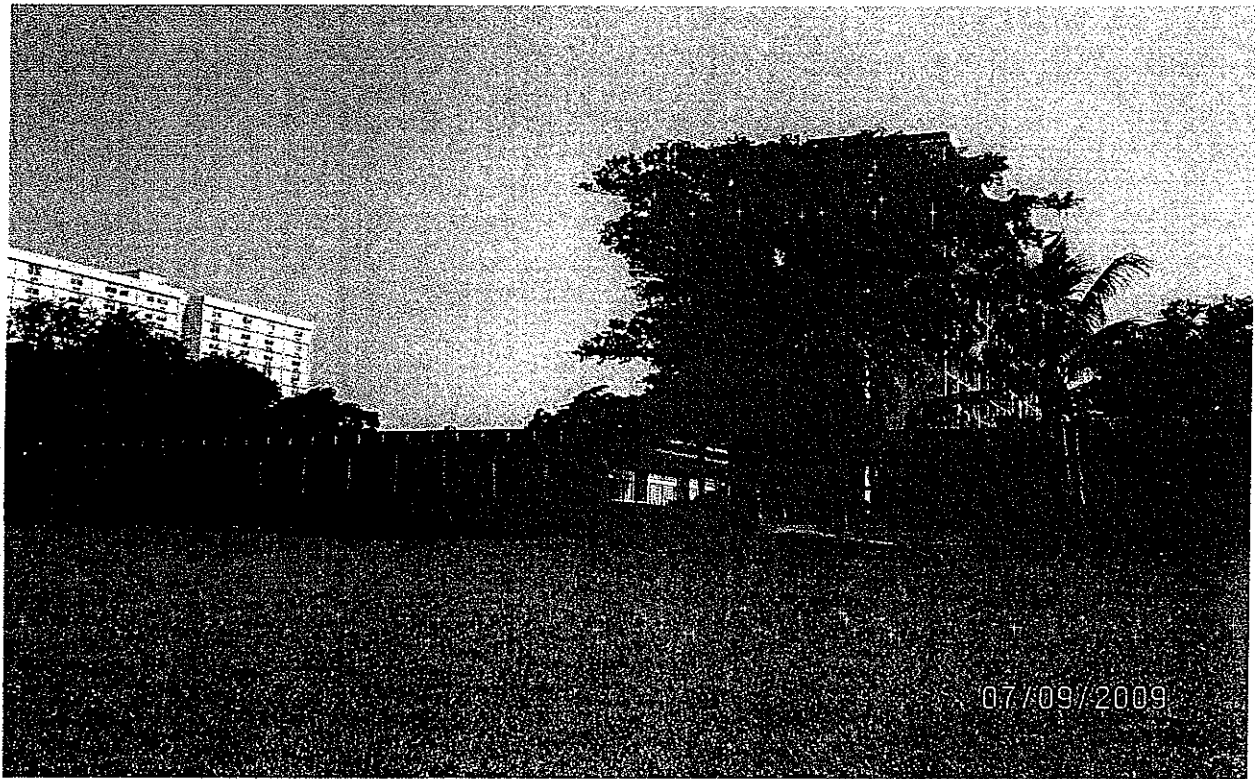

- A. The MDPHA former Administrative Offices. This is a one story building. This space is currently leased to the Florida Marlins and Suffolk Construction. Leases also include the parking areas south of the building. Both leases extend through May 25, 2011. An additional one year extension through May 25, 2012 is expected on both leases.
- B. The Alphabet Buildings – these are seven (7) two-story buildings that were previously occupied by MDPHA staff. They are currently vacant and being used for storage by MDPHA. There are no plans to re-occupy these buildings or lease them.
- C. Haley Sofge Towers – two high-rise towers on site.
- D. Robert King High (RKH) – one high-rise tower on site. RKH also contains some administrative office space on the ground floor which is currently used for storage by MDPHA.
- E. Martin Fine Villas – there is one low rise building on site.
- F. Connecting walkways between buildings and central courtyard.
- G. Ancillary Facilities (Board Room, Training Rooms, Site 241 Managers Office, other MDPHA Offices, Lunch facility and outside area for elderly, and Beauty/Hair Salon).
